Maximize Your Support

One of the smartest ways to support P.I. is through a matching gift program, where an employer, company, or individual will match donations to charitable organizations.

These matches are often dollar for dollar, which doubles your charitable-donation power and is a great way for you to maximize your personal contributions to the P.I. Foundation.

By taking advantage of a company's matching gift benefit, you may be able to double or even triple the amount of a contribution.

Check with your employer's human resources or payroll department to see if a matching gift program is offered.

Ask for donation guidelines and ask to add the P.I. Foundation as an approved charity for your company it does offer a matching gift program.
